

## **Notice to Senator and Representative of Pending Permit Application**

Senate Bill 709 (84th Texas Legislative Session, 2015) amended the Texas Water Code by adding new Section 5.5553, which requires the Texas Commission on Environmental Quality (TCEQ) to provide written notice to you at least 30 days prior to the TCEQ's issuance of a draft permit for a pending application that is located in your district.

Wastewater Residuals Management, LCC has applied to the TCEQ for a municipal solid waste (MSW) permit amendment which would expand the permit area; increase the maximum daily waste acceptance rate; revise the list of acceptable wastes; add additional waste storage tanks, processing methods, processing areas, and spill containment; and revise closure cost estimates.
